Sir,

In forwarding herewith copy of letter No.359/F. 119-30 dated 17th February 1930 received from the Superintendent Central Jail, Bangalore recommending the grant of duty allowance to the Deputy Jailor for extra work done by him in connection with the Standing Advisory Board of that Jail, I have the honour to request that sanction of Government may kindly be obtained for the grant of a duty allowance of Rs. 10/- per mensem to the Deputy Jailor of the Central Jail, Bangalore in consideration of the extra work performed by him and a sum of Rs.5/- per mensem for similar work performed by the concerned clerk in the Mysore Jail. The additional amount required for this purpose will be met from the savings available under the head "Ration and dietary charges" under 19 Jails and Lockups in the current years budget.

Adverting to Government order No.G.6260-70/Pris.24-29-3 d ated the 21st November 1929 sanctioning the constitution of the Stand dvisory Board as a permanent measure - copy forwarded with your memo o.C.150-14-15 dated the 25th November 1929 - I have the honour to bri o your notice that no clerical staff hasx been provided for assisting he Board in collecting judgement copies, police reports, atecedants e f long-term prisoners and submitting them along with the prescribed abular forms before the Board.

It has been ascertained that in the neighbouring Central ail at Vellore the remission clerk is detailed to look after the oard's work but the Board there sits only once in 6 months and habitu nd life-term convicts do not come within the Board's perview. The w n this connection is heavier in this Jail in as much as the Board sit nce a quarter and has to consider cases of life-term and habitual onvicts also which entails much exertion and promptness which cannot e expected of any clerk now employed in this Jail. From the very nception of the scheme the Deputy Jailor of this Jail hass been detai o look after the correspondence work of the Board without prejudice o his legitimate duties and it is necessary that he should contineue o so especially in view of the fact that he is also the officer in th Jail entrusted with the duty of supervising remission work. I theref request that in view of extra work and responsibility devolving on him in looking after this work he may be recoomended for the grant of such duty allowance that the Inspector-General may consider he deserves.

This proposal does not involve any additional cost toGovernmen as by the Board's operation long-term convicts are released before the time on probation and the release of every prisoner on probation for o year means a saving in the maxx cost of maintenance of that prisoner which ranges from Rs. 100/- to Rs. 120/- per head per year in this Jai
